THANH TAM, HUYNH

97 54 street Ward 10 District 6,
Ho Chi Minh city, VietNam
84 936 47 1994
tamhuynh.msp@outlook.com

Love mobile programming. I have 4+ years experience with Android. Basic knowledge of backend development and UI/UX design helps me communicate effectively within team

I want to work in a challenging environment where I could utilize my skills and use my knowledge to better company's products

PERSONAL INFORMATION

DOB: July 4th, 1994 in Ho Chi Minh city, VietNam
Hometown: Ben Tre province, VietNam
Male, Single

EXPERIENCE

Jul 2016 – Present   **25INC**
Android developer, Product owner

Projects joined:

- gannha.com
- dkid.vn

- Lead Android projects with team size of 3 members
- Product owner of features inside gannha.com: GnCommerce, Payment
- Find way to manage and structure a complex one-page app
- Cooperate closely with backend, deal with handling dynamic content and memory problem
- Join UI/UX discussion, apply user-oriented thinking, satisfy the user but still keep the main core of the product

Feb 2016 – Feb 2017   **EAST AGILE**
Python/Django developer

Projects joined:

- Chinchilla (MySamsung backend)
- Samsung Data Science

- We apply TDD, BDD pattern into working process.
- Learn how to communicate with customers, how to explain development process to them and keep them happy
- We work in pair, which help me learn a lot, each project code is reviewed by the whole company
- Coding convention, code quality and product quality is our first priority. Always think further and keep the code maintainable for later developer

Nov 2014 – Jun 2016   **MICROSOFT STUDENT PARTNERS VIETNAM (MSP)**
Technical Evangelist

- Outstand over 60 other students to be a member of MSP.
- Trainer in WeSpeakCode campaign, Azure workshop of Microsoft Viet Nam.
- Launch 2 training courses of Microsoft technology with over 70 attenders.
- Running 2 team projects in Windows phone and Windows 10

| Sept 2012 – Jun 2016 | **HO CHI MINH UNIVERSITY OF SCIENCE** |
| | **Student, Teaching Assistant** |

- Work with more than 7 C# projects in university including: console, Winform, Windows phone app, XNA Game.
- Develop 3 Android apps with Java.
- Have basic experience in OOP programming, design pattern through school's project-based learning.
- TA in Android class for highschool students (AILab program). Member of Live Science club.

OTHER ACHIEVEMENTS

Mar 2015	Won round 2 in Imagine Cup 2015 contest from Microsoft Viet Nam.
Feb 2015	Second round in Information Technology faculty's contest.
2012	Achieved 2nd prize in Ho Chi Minh city for exellent student contest (Informatics).

SKILL

- Organize backlog item, manage team's timeline
- Design mockup UI by Adobe XD
- Be able to read English material. Good speaking and listening.
- Capable of self-educating.
- Work under pressure.

INTERESTS

- Broaden acquaintances.
- Get out of office and work in The Coffee House
- Enjoy helping other developers on stackoverflow, help my teammates improve themselves
- Practicing guitar or reading books in my free time
